In addition to the foregoing, you agree to take reasonable and necessary steps to protect the confidentiality of said information. You agree not to remove any such information from APICS’ premises or the premises of any Board, committee, or sub-group meeting, or make copies thereof except as needed to perform your duties as a Board, committee, or sub-group member. At the conclusion of your service, or upon APICS’ request at any time, you agree to return to APICS all confidential information or trade secrets as well as all documents, diskettes, and other materials containing same.

For purposes of this agreement, “confidential information or trade secrets” includes information (whether written or oral and whether in electronic or any other format or medium) that: (1) derives value from not being generally known and not being readily ascertainable by proper means by third parties; or (2) is licensed to APICS under an obligation to maintain its secrecy. “Confidential information or trade secrets” includes, without limitation, the following: (i) all deliberations of the APICS Board, including all materials and information distributed in connection therewith; (ii) all information relating to consulting, educational programs, training, and any other proprietary products or services offered by APICS; (iii) all models, formulae, drawings, and technical and research data; (iv) all software (source and object code), algorithms, computer processing systems, techniques, methodologies, formulae, and specifications used or owned by APICS; (v) all membership information, including without limitation, identities, addresses, e-mail addresses, telephone numbers, fax numbers, or other identifying information of APICS’ past, present, and prospective members; (vi) all names, addresses, and identifying information of APICS’ vendors, suppliers, customers, and other entities with whom APICS conducts business; (vii) APICS’ methods and practices of doing business; (viii) APICS’ pricing policies, structures, and practices; (ix) APICS’ financial, budgetary, advertising, marketing and sales/services plans, forecasts, strategies, reports, and data; (x) all information or data that is subject to protection under the applicable trade secrets laws; and (xi) any other information, materials, documents, or data that APICS reasonably identifies as confidential and/or proprietary information and/or trade secrets.

You agree that APICS will be entitled to immediate injunctive relief, and all other available relief, in the event of your threatened or actual violation of any term hereof. This agreement shall be governed by the laws of the State of Illinois. This agreement supersedes all prior agreements and understandings pertaining to the subject matter herein.

APICS CONFLICT OF INTEREST POLICY

For the APICS Board of Directors and Committee Members

This Conflict of Interest Policy is designed to help APICS Board, committee, and sub-group members identify situations that present potential conflicts of interest and to provide APICS with a procedure which, if observed, will allow a transaction to be treated as valid and binding even though a Board, committee, or sub-group member has or may have a conflict of interest with respect to the transaction. This policy is intended to comply with applicable statutory provisions governing conflicts of interest for directors of nonprofit corporations. In the event there is an inconsistency between the requirements and procedures prescribed herein and those in an applicable statutory provision, the statutory provision shall control.

Definitions

“Covered person” means any person serving as an APICS Board, committee, or sub-group member, or employee.

“Family member” means a spouse, domestic partner, parent, child or spouse of a child, brother, sister, or spouse of a brother or sister, of a covered person.

“Financial interest” means a financial or pecuniary interest of any kind, which, in view of all the circumstances, is substantial enough that it would affect, or could reasonably be perceived by others to affect, the covered person’s or family member’s judgment with respect to transactions to which the entity is a party. This includes all forms of compensation. For purposes of this policy, an ownership interest of less than 3 percent in a publicly traded company shall not, by itself, constitute a financial interest.

“Representative” means a director, officer, agent, partner, consultant, trustee, or representative.

“Transaction” means any agreement, relationship or business dealing involving: (i) the sale or purchase of goods, services, or rights of any kind; (ii) the providing or receipt of a loan or grant, or (iii) the establishment of other type of pecuniary relationship. The making of a gift to APICS is not a contract or transaction.

Conflicts of Interest

For purposes of this policy, each of the following circumstances shall be deemed a conflict of interest:

• Outside Interests

- A transaction involving APICS and a covered person or family member.
- A transaction involving APICS and an entity in which a covered person or family member has a financial interest, or of which such person serves as a representative.

• Outside Activities

- A covered person competing with APICS in the rendering of services or the provision of goods.
- A covered person having a financial interest in, or being a representative of, an entity that competes with APICS.

Gifts, Gratuities, Entertainment and Honoraria

A covered person or family member shall not accept gifts, entertainment, or other item of gratuity in excess of \$50.00 in value from an individual or entity that: (a) does or is seeking to do business with APICS, (b) is a competitor of APICS; or (c) has received or is seeking to receive a loan, grant, or other financial commitment from APICS.

A covered person may not, without the express written consent of the APICS Chief Executive Officer, accept an article/book/speaking engagement that would deprive APICS of membership and/or program fees, or involve the use of APICS staff or resources to develop or design the article/book/speaking engagement.

Procedure

Prior to Board, committee, or sub-group action on a transaction involving a conflict of interest, the Board, committee, or sub-group member having a conflict of interest shall disclose all facts material to the conflict of interest. Such disclosure shall be reflected in the minutes of the meeting.

The person having a conflict of interest shall not participate in discussion of the matter by the Board, committee, or sub-group except to disclose material facts and to respond to questions. Such person shall not attempt to exert his or her personal influence with respect to the matter, either at or outside the meeting.

The person having a conflict of interest shall not vote on matters relating to the transaction. Such person's ineligibility shall be reflected in minutes of the meeting.

In the event it is unclear whether a conflict of interest exists, the individual with the potential conflict shall disclose the circumstances to the APICS chair or his or her designee, who shall determine whether there exists a conflict of interest that is subject to this policy. In making this determination, the APICS chair or his or her designee may seek the advice of counsel or other third parties.

Covered persons who are not APICS Board, committee, or sub-group members, or who have a conflict of interest with respect to a transaction that is not the subject of Board, committee, or sub-group action, shall disclose such conflict to the APICS chair or his or her designee. The covered person shall refrain from any action that may affect APICS' participation in such transaction.

Disclosure Form

Each covered person shall annually complete a disclosure form (Attachment A) identifying any relationships, positions, or circumstances in which he or she is involved that he or she believes could contribute to a conflict of interest. Such relationships, positions, or circumstances might include ownership of, or participation in, a business that might provide goods or services to APICS, APICS chartered chapters, or affiliated organizations. Any such information regarding outside business interests or activities of a covered person shall be made available only to the chair and the Chief Executive Officer; their designees; any committee appointed to address conflicts of interest; and other persons as necessary in connection with the implementation of this policy.

The submission of disclosure forms does not relieve covered persons of their obligation to disclose conflicts of interest as they arise under the above stated procedures.

APICS HARASSMENT POLICY

For the APICS Board of Directors and Committee Members

Harassment

Harassment of any kind is expressly prohibited by APICS. Harassment includes, but is not limited to, any unwelcome or unsolicited verbal statement (e.g., demeaning, derogatory, or vulgar comments) or physical conduct (e.g., hitting, pushing, touching, making sexual gestures, disseminating pictures or other graphic material) based on race, age, sex, sexual orientation, marital status, color, disability, physical appearance, national origin, ethnic status, or religion, which is either: (i) made a term or condition of employment, (ii) used as the basis for employment or advancement decisions, or (iii) has the purpose or effect of unreasonably interfering with work or creating an intimidating, hostile, or offensive work environment.

Sexual Harassment

Sexual harassment includes, but is not limited to, any unwelcome or unsolicited sexual advances, demands for sexual favors or other verbal, physical, or sexual conduct of a sexual nature that is either: (i) made a term or condition of employment, (ii) used as the basis for employment or advancement decisions; or (iii) has the purpose or effect of unreasonably interfering with work or creating an intimidating, hostile, or offensive work environment.

APICS does not tolerate any form of sexual harassment. APICS will make every effort to provide an environment that is free from all forms of sexual harassment and intimidation.

Any act of sexual harassment, including the use of disparaging or demeaning remarks or the making of improper advances is prohibited. APICS will not tolerate encouraging, condoning, or otherwise permitting sexual harassment. Moreover, retaliatory action against anyone filing a complaint of any type of discrimination, including sexual harassment, is strictly prohibited. Anyone who violates this policy will be subject to appropriate disciplinary action based on the circumstances of each case.

Procedure

Anyone who believes he or she has been the subject of sexual or other harassment is obliged to report the alleged act immediately to the chair of the APICS Board or APICS' Human Resources Department. Anyone who witnesses incidents of sexual harassment should immediately report the incident to the chair of the APICS Board or APICS' Human Resources Department.

All complaints will be investigated in a timely and, to the greatest extent practicable, confidential manner. No one involved in the investigation is permitted to discuss the subject outside of the investigation process.

All complaints will be investigated by an impartial third party. APICS will endeavor to protect individuals from coercion, intimidation, retaliation, interference, or discrimination for filing a complaint or assisting in an investigation.

APICS INTELLECTUAL PROPERTY RIGHTS POLICY

For the APICS Board of Directors and Committee Members

Individuals participating on the APICS Board, committees, or sub-groups acknowledge and agree as follows:

Except as set forth below, all copyrightable works which are directly or indirectly made, conceived, or contributed by you during the course of your service for the Board, committees, or sub-groups (collectively "creations") have been and will continue to be commissioned by APICS and be works made for hire. If any creation is found by a court of competent jurisdiction not to be a work made for hire, you hereby assign such creation and all intellectual property rights to APICS, including all rights of reproduction, distribution, performance, display, and the right to create derivative works.

You further agree to execute any documents that APICS may deem necessary to enable APICS to obtain all proprietary rights in the creations, and you agree not to copy, reproduce, revise, distribute, sell, or attempt to sell any creations without the written consent of APICS. The foregoing is addition to, and not in limitation of, any and all rights that APICS may have under applicable federal, state, and local laws governing copyright and other intellectual property matters.

Except as set forth below, any ideas, information, data, documents or materials that you disclose or present during any Board, committee, or sub-group meeting may be modified by the Board, committee, or sub-group, or compiled with other works, and all resulting works, compilations, and creations, and all intellectual property rights, shall be the property of APICS.

Notwithstanding the foregoing, if you intend to present or disclose intellectual property at a Board, committee, or sub-group meeting for informational purposes which you do not wish to be incorporated as part of any APICS material, and with respect to which you desire to retain all ownership rights, you must bring the matter to the attention of the chair in writing prior to commencement of the meeting. In that event, you shall retain ownership of the work, unless otherwise agreed by the parties.

You agree to submit to personal and subject matter jurisdiction in the state and federal courts of the State of Illinois in connection with any action that might be commenced in either of those forums by APICS to enforce the terms of this policy.

APICS ANTITRUST COMPLIANCE POLICY

For the APICS Board of Directors and Committee Members

The purpose of this policy statement is to assist APICS employees, Board members and members in ensuring compliance with all applicable antitrust laws by all participants in APICS sponsored meetings and events.

The antitrust laws are designed to encourage and promote fair competition and to discourage anticompetitive behavior and restraints on trade. These laws – the Sherman Act, the Clayton Act, and the Federal Trade Commission Act and similar laws in several states – prohibit contracts, combinations, conspiracies, and other agreements in restraint of trade, including monopolization and attempts at monopolization.

Associations, like APICS, by their very nature must be particularly careful to avoid antitrust violations. Several APICS meetings and events bring together various members of the business community, including many industry competitors. These activities have the capacity to create an environment where antitrust violations can occur. Therefore, it is the policy of the APICS to fully comply with all antitrust laws applicable to business association activities.

APICS Meeting and Event Guidelines:

In furtherance of this policy, APICS has adopted the following guidelines to ensure compliance with antitrust laws at all APICS sponsored meetings and events. All APICS employees, Board members, members and participants should adhere to these guidelines while participating in APICS sponsored meetings and events.

DO adhere to the following guidelines at all APICS sponsored meetings and events:

- **DO** have an APICS representative or legal counsel present at all APICS sponsored meetings;
- **DO** prepare and adhere to advance written meeting agendas;
- **DO** ensure that the meeting minutes fully and accurately describe all the matters that transpire during the meeting;
- **DO** object to any discussions or meeting activities that appear to violate these guidelines. If such conduct continues, you should immediately excuse yourself from the group, insist that the meeting minutes reflect your departure, and communicate your objection to the appropriate APICS representative and the Legal Department;
- **DO** consult APICS Legal Department on all antitrust questions related to APICS activities; and
- **DO** be conservative. If you feel an activity might be improper, do not do it.

DO NOT in fact or appearance, discuss or exchange information regarding any of the following matters:

- **DO NOT** discuss your prices or competitors' prices with a competitor (except when buying from or selling to that competitor) or anything which might affect prices such as costs, discounts, terms of sale, credit terms or profit margins;
- **DO NOT** agree with competitors to uniform terms of sale, warranties, or contract provisions;
- **DO NOT** agree with competitors to divide customers, products, services or territories;
- **DO NOT** act jointly with one or more competitors to put another competitor at a disadvantage;
- **DO NOT** try to prevent your supplier from selling to your competitor;
- **DO NOT** discuss your customers with your competitors;
- **DO NOT** make any statements regarding prices or matters affecting prices at association meetings. Do not participate in these discussions when others do;
- **DO NOT** make statements about your future plans regarding pricing, expansion, or other policies with competitive overtones. Do not participate in these discussions when others do;
- **DO NOT** attend or stay at any informal meeting where there is no agenda, no minutes are taken, and no APICS employee is present;

- **DO NOT** do anything before or after any APICS sponsored meeting, or at social events, which would be improper, for purposes of antitrust laws, at a formal APICS meeting; and
- **DO NOT** participate in any discussions outside of the meeting room, such as in hallways or restrooms, which would be improper, for purposes of antitrust laws, at a formal APICS meeting.

The APICS Code of Ethical Conduct for Professional-Staff Financial Managers and Code of Ethical Principles and Standards of Conduct (hereinafter referred to as the "Codes") require Board, committee, and sub-group members, other volunteers, and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. Employees and representatives of the organization must practice honesty and integrity in fulfilling their responsibilities and comply with all applicable laws and regulations.

A. Reporting Responsibility

Each Board, committee, and sub-group member, other volunteer, and employee of APICS has an obligation to report in accordance with this Whistleblower Policy: (i) questionable or improper accounting or auditing matters and (ii) violations and suspected violations of APICS' Codes (hereinafter collectively referred to as "Concerns").

B. Authority of Ethics Committee

All reported Concerns will be forwarded to the Ethics Committee in accordance with the procedures set forth herein. The Ethics Committee shall be responsible for investigating, and making appropriate recommendations to the APICS Board, with respect to all reported Concerns.

C. No Retaliation

This Whistleblower Policy is intended to encourage and enable Board, committee, and sub-group members, other volunteers, and employees to raise Concerns within the organization for investigation and appropriate action. With this goal in mind, therefore, no Board, committee, or sub-group member, other volunteer, or employee who, in good faith, reports a Concern shall be subject to retaliation or, in the case of an employee, adverse employment consequence. Moreover, a volunteer or employee who retaliates against someone who has reported a Concern in good faith is subject to discipline up to, and including, dismissal from the volunteer position or termination of employment, respectively.

D. Reporting Concerns

1. Employees

Employees should first discuss their Concern with their immediate supervisor. If, after speaking with his/her supervisor, the individual continues to have reasonable grounds to believe the Concern is valid, the individual should report the Concern to APICS' Human Resources Department. In addition, if the individual is uncomfortable speaking with his/her supervisor or the supervisor is a subject of the Concern, the individual should report his/her concern directly to APICS' Human Resources Department.

If the Concern was reported verbally to APICS' Human Resources Department, the reporting individual, with assistance from APICS' Human Resources Department, shall reduce the Concern to writing. The Concern form can be found in Appendix A. APICS' Human Resources Department is required to promptly report the Concern to the chair of the Ethics Committee (hereinafter referred to as "Chair"), which has specific and exclusive responsibility to investigate all Concerns. If APICS' Human Resources Department, for any reason, does not promptly forward the Concern to the Chair, the reporting individual should directly report the Concern to the Chair. Contact information for the Chair may be obtained through APICS' Human Resources Department.

Concerns may be also be submitted anonymously. Such anonymous Concerns should be in writing and sent directly to the Chair.

2. Directors and Other Volunteers

Board, committee, sub-group members, and other volunteers should submit Concerns in writing directly to the Chair. Contact information for the Chair may be obtained from APICS' Chief Executive Officer.

E. Procedure of Reported Violations

The Ethics Committee shall address all reported concerns.

1. The Chair will notify the sender and acknowledge receipt of the Concern within **five (5)** business days, if possible. It will not be possible to acknowledge receipt of anonymously submitted Concerns.
2. The Chair shall contact the complainant within 5 days of receiving the complaint and ensure a complete understanding of the alleged violation.
3. The Ethics Committee shall make a preliminary determination that there could be a violation of APICS' Codes and/or questionable or improper accounting or auditing matters.
 - a. If it is determined that there is no violation of APICS' Codes and/or questionable or improper accounting or auditing matters, the Chair shall notify the Complainant and the reason why it will not accept the Concern. The Complainant would also receive notice of the right to appeal the Chair's decision to the Ethics Committee.
 - b. If the Concern is accepted, the Chair shall immediately notify the Ethics Committee, the Chair of the Board, and the Chief Executive Officer. The investigation will commence within **thirty (30) days** of the Concern acceptance. The Chair shall acknowledge in writing to the Complainant that the Concern has been accepted and inform the Complainant of the investigation. A copy of these Enforcement Procedures shall be sent with the notice.

- c. The Chair shall acknowledge in writing to the Adverse Party that a Concern has been filed against the Adverse Party and that an investigation has commenced. A copy of the complaint and these Enforcement Procedures shall be sent with the notice.

F. Investigation

The Ethics Committee has the authority to retain outside legal counsel, accountants, private investigators, or any other resource deemed necessary to conduct a full and complete investigation of the allegations.

If the investigation finds that the Concern is not warranted, the Ethics Committee will inform the Complainant and the Adverse Party that the Concern is being dismissed, and provide each party with a copy of the investigation and reason for dismissal.

G. Discipline

The Ethics Committee may decide to impose no disciplinary measures or to impose one or more of the following disciplinary measures at the end of the investigation: Reprimand, Probation, Suspension, or Termination. If determined, the Concern may also give rise to other actions, including civil lawsuits.

It is the intent of these Procedures that the range of disciplinary measures be as broad and flexible as possible so that appropriate disciplinary measures can be employed to remedy and redress the violation that has been committed.

I have read, I understand, and I agree to comply with APICS’ policies regarding Ethical Principles, Standards of Conduct, Confidentiality, Conflicts of Interest, Harassment, Intellectual Property, Antitrust Compliance, and Whistleblowing. Moreover, I understand and agree that noncompliance with any provision of these policies may be grounds for immediate removal from the APICS Board, committee, or sub-group.
