

RETIRED MEMBERSHIP BENEFIT APPLICATION

As a professional organization of nearly 47,000 members, APICS is committed to lifelong learning. To ensure this commitment is accessible to all members, the APICS Board of Directors established a Retired Member category. This member category enables long-term members who have retired to stay in touch with their former colleagues and profession. Retired members retain all member benefits at a 50 percent savings on APICS corporate dues.

To be eligible for retired member status you must:

- Be retired from formal employment
- Have been an APICS member at least five years, not necessarily consecutively
- Be 62 years of age or older

If you wish to apply for retired member status, submit this form to your chapter president with your membership renewal notice. Make sure you include payment (\$100.00) for APICS membership dues when you submit the form.
