

# CERTIFIED IN LOGISTICS, TRANSPORTATION AND DISTRIBUTION (CLTD)

As an APICS CLTD designee, you will have the skills and knowledge it takes to get noticed by employers and stand out from your peers. Earning the APICS CLTD certification will demonstrate your commitment to advancing both your career and your company's operations.

## Certification designed with you in mind

CLTD is designed for logistics, transportation and distribution professionals across all industries, especially:

- Logistics managers/engineers
- Supply chain logistics managers
- Traffic managers
- Transportation/fleet managers
- Warehouse operations/distribution managers
- Reverse logistics managers

## Professional growth begins here

- **Career Advancement.** Designees on average earn 27 percent more than their counterparts without an APICS certification.
- **Increased credibility.** CLTD increases your knowledge and skills helping you to stand out from your peers.
- **Boost your confidence** and become recognized as a logistics expert.

## Professional opportunities

Your investment will continue to reward your efforts; your certification goes where you go and leads to recognition and respect for your abilities as a logistics professional.

## CLTD exam preparation

Your journey begins with the CLTD Learning System:

- **The CLTD Learning System** is a comprehensive preparation option that builds on your strengths and improves your knowledge.
- **Choose the learning option** that works best for you, instructor-led classes or self-study.
- **Take the exam.** Designees only need to pass one exam to earn the CLTD certification.
