Supply chain outlook

- Supply chain is seen as a **strategic asset**. The post-recession global marketplace recognizes supply chain management as a **key driver** of business success and viability.

- Supply chain management is a well-established role in **industries beyond manufacturing**, including retail, health care and technology.

- Supply chain and operations management jobs are **in demand**.

- **200,000** U.S. supply chain jobs will go unfilled annually until 2018 for lack of qualified talent*

*Georgia Center of Innovation for Logistics, June 28, 2013
Gartner’s 2016 Chief Supply Chain Officer Survey

- Survey’s goal was to understand the business priorities of Supply Chain
  - Supply Chain strategies and capabilities
  - Supply Chain organization and talent
  - Supply Chain of the future

- Top priority investments that provided the most value:
  - Quality of product supply: 50%
  - Sales and operations planning: 41%
  - Supply chain analytics: 42%
  - Product development and portfolio management: 41%
APICS Body of Knowledge

- The APICS Operations Management Body of Knowledge (OMBOK) Framework is the basis for global industry standards in supply chain and operations management.

- The APICS Dictionary establishes accepted terminology including more than 4,000 terms for inter-organizational communication.

Standard terminology = clear communications = better solutions

APICS CPIM Preparation Resources

**APICS CPIM Self-Study Kit** - This new product presents CPIM information in an easy-to-understand, conversational format. The kit for each CPIM module includes the APICS CPIM Self-Study Guide, Exam Content Manual (ECM) and Exam Simulator. Kits are available in both printed and electronic formats.

**APICS Online Powered by Accenture** - These online courses cover the CPIM body of knowledge in a convenient and flexible format. It includes the APICS CPIM ECM and the Exam Simulator for each module.

**APICS CPIM Exam Simulator** - The exam simulator is designed to prepare and familiarize candidates with the web-based exams for each of the five CPIM modules. With over 300 practice questions per module, the questions are aligned with the current CPIM ECM.
APICS CPIM Exam Details

- Exam offered across the globe
  - Pearson VUE test centers around the world
- Decide when to take the exam and register
  - Registration always open and testing is on demand
- Take the exam
  - Basics: 105 multiple choice questions; 80 scored
  - All other modules: 75 multiple-choice questions; 60 scored
