

APICS Magazine 2017 Editorial Calendar

As the premier professional association for supply chain management, APICS's mission is to foster the advancement of end-to-end supply chain management through a body of knowledge, innovative research, systems, and methods to create value for customers, members, and organizations.

In support of that goal, the award-winning APICS magazine provides the APICS community with innovative ideas, practical solutions, and relevant industry information. We welcome your contributions and encourage you to review the feature article and author guidelines at apics.org/editorial.
