Connect locally. Impact globally.

As the foremost supply chain association, APICS is committed to raising the bar on supply chain excellence, innovation and resilience — one professional at a time. As an APICS member, you'll benefit from industry-leading research, education and credentials that will expand your supply chain knowledge and grow your career. You'll also connect with a global network of accomplished supply chain professionals. Start making a positive impact on supply chains and the world around you with APICS as your strategic career partner.

Setting the standard

Our best-in-class certifications have been the industry standard for supply chain excellence for more than 40 years. APICS Certified in Production and Inventory Management (CPIM), APICS Certified Supply Chain Professional (CSCP) and APICS Certified in Logistics, Transportation and Distribution (CLTD) designations are respected by employers across the globe.

Success starts here

With the APICS body of knowledge at your fingertips and an expanded professional network, you'll have the tools you need to grow your knowledge and build a successful career.

APICS by the numbers

12% salary increase

Individuals typically see salary increases of up to 12% after earning an APICS certification.

45,000+

Over 45,000 APICS members are supported by nearly 300 partners who are raising the bar on supply chain in 100 countries across the globe.

Advance your career with APICS. Join today.
