

BENEFITS EXTENSION FOR UNEMPLOYED MEMBERS FORM

APICS understands that it can be difficult to afford membership dues while searching for employment. To help ensure continuation of your APICS membership benefits, APICS Board of Directors established a dues waiver policy for unemployed members. Members approved for this waiver will receive electronic membership for the duration of the waiver, which entitles you to electronic communication of all member benefit materials. All other member benefits will remain the same including voting privileges, the ability to hold elected office and serve on committees, local chapter membership, training and certification exam registration at membership discounted rates, and eligibility for certification maintenance points.

The APICS corporate office sends dues reminders to each member on his/her anniversary month. The dues notice includes both corporate and chapter dues. Payment is due within 30 days of billing. If, at the time of billing, a member is unemployed and actively seeking work within the APICS business sector, his/her membership may be extended for a sixmonth period at no cost.

The member must apply for the extension through the local chapter, which must approve the request and waive the chapter dues assessment. If the member remains unemployed at the end of the extension period, he/she may apply for an additional extension. An application must be completed with each extension request. *Total extensions will be limited to three for a total of 18 months membership without assessed fees.*

To request an extension of benefits due to unemployment, submit this completed form to APICS corporate **no later than 30 days after membership expiration date**. The form must be signed by the member and approved by the member's chapter president. (For complete rules, see page 2 of this form.)
