

SUPPLY CHAIN STEM

EDUCATIONAL OUTREACH PROGRAM

Human Lemonade Supply Chain Printables

OPTIONAL HUMAN LEMONADE SUPPLY CHAIN ACTIVITY

Students form the supply chain in front of the class:

- Print double sided and laminate re-usable cards on 8.5 x 11 paper
- Students form their sections of the lemonade supply chain in front of the class and stay in front of the class until the entire supply chain is built.
- After the students have built their supply chain in front of the class, compare their supply chain with the lemonade supply chain on page 10 of the classroom power point
